

M-PESA App

With the new M-PESA APP, we have made it simple for you to do more of the things you love. Let's walk you through why the new M-PESA APP is your introduction to #LifeMadeEasy.

All the things you love, one place.

The New Simple Look

Interacting with the key features you love on M-PESA is now easier. Find quick shortcuts right on your homepage made just for you.

Offline but Connected

Log in and access key M-PESA features anytime on the App without the need for an active data connection.

Biometric Authentication

No need for your PIN! Log in and transact on the app using the face or fingerprint feature for added security.

The Mini Apps

Access and explore multiple travels, lifestyle, and utility apps directly from the M-PESA App without the need to download them to your phone!

A glance at your M-PESA usage in real-time.

Track your spending and transactions in real-time while accessing your daily and monthly reports sorted by category.
