[TA-W-34,498 and NAFTA-02347]

Kunkle Foundry Company, Inc., Andrews, IN; Notice of Affirmative Determination Regarding Application for Reconsideration

By letters of June 30, 1998 and July 8, 1998, the petitioners requested administrative reconsideration of the Department of Labor's Notices of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, petition TA-W-34,498, and NAFTA-Transitional Adjustment Assistance, petition NAFTA-02347. The denial notices were signed on June 12, 1998 and published in the **Federal Register** on July 13, 1998 (63 FR 37590-91).

The petitioners allege that the subject firm shifted production of certain castings and that such castings are currently being manufactured in Mexico and imported into the U.S.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 26th day of August 1998.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
